Chairman Julius Genachowski
Federal Communications Commission
445 12th Street, SW
Washington, D.C. 20554

RE: In the Matter of applications of AT&T Inc. and Deutsche Telekom AG for consent to assign or Transfer Control of licenses and Authorizations (WT Docket No. 11-65).

Dear Chairman Genachowski:

I welcome the merger of AT&T with T-Mobile. I want our residents to benefit from new technology. Advanced wireless communications can improve the way we stay in touch, the way we learn and the way we care for one another.

Without the AT&T / T-Mobile merger, technological advancements will come to Bangor Township but not anytime soon. If you and your fellow commissioners grant your consent to the deal, we will be able to connect to the rest of the world in a timely fashion. Technology is a life changer and small towns like ours are ready to be changed.

Sincerely,

Terry Watson,
Bangor Township Supervisor
